## 2017 Sustaining Members Forum

# FEDERAL PROGRAMS OVERVIEW

**July 27th, 7:30 AM to 4:30 PM | Delta Breeze, Travis Air Force Base**

The Society of American Military Engineers (SAME) Sacramento Post presents the biennial Sustaining Members Forum (SMF), "Federal Programs Overview". Save the date for this important update on the Federal programs and projects affecting our region.

Come hear about business opportunities and program discussions for new infrastructure and improvements, environmental restoration and water management, military construction and more. Our invite list for speakers includes:

- US Army (area facilities)
- US Air Force (Beale, Travis, Air Force Civil Engineering Center)
- Navy Southwest Div
- USACE (SP Division and Districts)
- National Guard and Reserve
- Veterans Affairs
- DOT Coast Guard

The SMF is our premier training and business opportunities event for the year and is presented for our sustaining member firms. Government and military personnel needing PDHs should plan to attend. Proceeds support our charitable causes. Tabletop exhibit space and sponsorship opportunities will be available. Industry members are asked to please include us in your sponsorship plans for 2017.

Note: SAME will process security checks and gate access for those who register by July 16th. No group registrations or walk-ins.

**Registration will open online in May. For additional information please contact:**
